DETAILED ACTION

The correction in the drawing and the specification has been accepted.

Reason for allowance

The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed Integrated Circuit Devices Including a MIM Capacitor having a second intermetal dielectric layer on the first intermetal dielectric layer, the second intermetal dielectric layer including at least one via hole extending to the first conductive interconnection layer and at least partially exposing the at least one via hole of the first intermetal dielectric layer; and a second conductive interconnection layer on the at least one via hole of the second intermetal dielectric layer that electrically contacts the first conductive interconnection layer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
